## Instanatic® Slotted Weighted

Cast A Country Mile®

- Weighted Slip Float
- Weighted Fixed Float
- Change Without Removing Float

Use slotted side for slip float or solid side for fixed float.

Weighted peg turns a regular float into a weighted, fixed or slip float. Use slotted weighted peg for slip float (put line in slot) or solid side for fixed float. Packed with bobber stops and beads. Pegs can also be used on other floats.

# Betts Billy Boy Bobbers

## Spring Floats - Balsa Bobbers

Test for yourself by pulling the end with spring and slotted opening. Our stick will bend at the slot – not break like others.

Made from Balsa Wood. Most buoyant of all floats. Spring gently holds line in place. Floats are painted with a clear coat for protection to prevent cracking and splitting.
