

# Betts® Fly Series

## Betts® Fly Line Conditioner/ Fly Floatant

- Betts premium fly line conditioner paste was formulated for performance.
- The conditioner floats, lubricates, cleans, preserves pliability, and ensures line flies through rod guides with ease.
- Can also be applied to Betts Poppers & Flies for added floatation.

**NEW**

**Stock#**   **Size**  
 FLC-05   1/2 oz.

**Pack:**  
 1 pc. pack - 12 packs

## Betts® Billy Boy Bobbers

### FloatABubble

The Transparent Liquid Filling Casting Floats Especially Designed For Spinning!

With Bobber Stops and Beads

- Features:
1. Natural bubble appearance; won't scare the fish.
  2. Free-sliding; at strike, fish feel no resistance as line slips freely through the float.
  3. Packed with beads and bobber stops.
